Important Allergen Information

At Korahi Kitchen, we take food allergies and intolerances very seriously. Please be aware that all food is prepared in a kitchen that handles major allergens, including milk, eggs, peanuts, tree nuts, soya, cereals containing gluten (such as wheat), fish, crustaceans, molluscs, mustard, sesame, celery, lupin, and sulphur dioxide. Due to the nature of our business, we cannot guarantee that any food prepared on these premises is completely free from allergenic ingredients. Whilst we take every precaution to prevent cross-contamination, there is a risk that traces of allergens may be present in any dish. Please review the allergen matrix provided below, which identifies allergens present in our dishes

Important information for customers:

- Please inform a member of staff of any allergies or intolerances every time you order.
- Please review the allergen matrix provided below, also available in-store or upon request.
- If you have a severe allergy, we strongly recommend that you contact us directly before placing your order, so we can assist you.
- Our recipes and ingredients may change from time to time. Please check allergen information regularly.
- Oil used in our kitchen is produced from genetically modified organisms.
